Canadian Mental Health Association
Muskoka Parry Sound
705-645-2262 or 1-800-245-5036

RAAM

North Simcoe Muskoka Rapid Access Addiction Medicine Services

Services for individuals 16 years of age and up who are struggling with substance use concerns; or for family members seeking personal support around a loved one's addiction.

What is RAAM

Walk-in clinic for those looking to make changes in their substance use. Referrals will also be accepted.

At the RAAM clinic individuals will be seen by a member of the inter-professional team, as well as the physician or nurse practitioner, to help respond to the individual's treatment needs.

Service is short term and appropriate referrals are made for continued client care.

The Team

- Physician
- Nurse Practitioner
- Registered Nurses
- Social Worker
- Addiction Counsellors
- Peer Support Worker

Services Provided:

- Assess substance use concerns and concurrent mental health concerns
- Initiate Pharmacotherapy if indicated:
 - Alcohol use disorders*
 - Opioid use disorders*
- Provide solution-focused counselling
- Provide trauma-informed care
- Make appropriate links to community partners for addiction, psychosocial and social support services
- Transition clients back to their primary care provider
- Help in connecting clients to a primary care provider if needed

For more information please visit our website at www.rvh.on.ca

Services Not Included:

- Management of acute/severe withdrawal
- Management of acute psychiatric illness
- Replacement/provision of primary care services
- Long-term psychotherapy
- Diagnosis, treatment, or opioid prescriptions for chronic pain
- Safe injection site services

Naloxone Kits

People who use opioids, their friends and family, can access a free kit without a prescription by calling the Simcoe Muskoka District Health Unit at 705-721-7520.

These kits are also available through participating pharmacies and the Canadian Mental Health Association.
